REPORT OF THE POLICE DEPARTMENT

For the first twelve weeks of 1983, I was at the New Hampshire Standards and Training Police Academy. Upon my return, I have kept a log of our activity, which is self-explanatory.

Beyond the items listed, there were numerous other items that we are continually called upon to perform, from giving information regarding the town's activity, to directions to passers-by. Many of these do not fall into any sepcific category.

We are still working with the principle that continual surveillance on a non-routine basis is the best deterrent to the substantial problems. This is born out by the low crime rate we enjoy in Brookfield.

As I have indicated in the past, I am always available for your questions and comments.

REPORT OF THE PLANNING BOARD

The Brookfield Planning Board met for twelve regular and one special meeting in 1983.

Three subdivision proposals were heard and approved. Two additional preliminary subdivision proposals were discussed without formal request. Four proposals for lot line adjustments were received and approved. One letter regarding an unapproved subdivision was filed with the Registry of Deeds. Notification made to involved parties.

Discussions relative to changes in zoning ordinances were held with no recommendations being made.

Other discussions concerned solid waste/toxic waste disposal, variable lot size development and regulation and enforcement of permitted use of buildings.

Several members of the board attended meetings of the Municipal Law Lecture Series in Meredith.

The board voted to appoint alternates to the Planning Board to fill absences as they occur.

The Planning Board secretary now receives a salary paid from the Board's budget and fees from subdividers.

Board member Roland Tinkham resigned and was replaced by alternate Susan Murphy.

Selectman representative to the Board Robert Charnock resigned and was replaced by James Whittemore.

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

Once again, our cooperative town and state forest fire prevention and control program leads the nation in least acres burned per forest fire. Less than one-half acre per fire statewide average.

At the town level, your Forest Fire Warden is responsible for the prevention and control of all grass and woods fires when the ground is not snow covered.

Forest fire prevention is achieved at the town level by issuing a written permit for every fire that is to be kindled on the ground out of doors when the ground is not covered with snow. Each person wishing to have an outside fire must obtain this written permit from the town Fire Warden before kindling the fire. Any person that does not obtain a fire permit, when one is required, is violating our forest fire permit law and is subject to a court appearance and could be fined up to $1,000 and receive a jail sentence of up to one year.

No fire permit will be issued between 9:00 A.M. and 5:00 P.M. unless it is raining. The reason for this is twofold: the fire danger increases steadily between 9:00 A.M. and 2:00 P.M., then subsides to a safe level between 2:00 P.M. and 5:00 P.M. This happens because the sun dries out the fine fuels that are easily ignited and dries the air which permits rapid fire spread. Also during this part of the day fire fighters are not readily available in most communities, so an escaped fire could burn longer and cause greater damage before being suppressed.

Your cooperation in burning only when conditions are safe is greatly appreciated.

As Smokey says, "Remember, Only You Can Prevent Forest Fires!"

ANNUAL AUDIT REPORT

We have examined the books and accounts of all Town Officers for the year ended December 31, 1983.

All reports have been completed and forwarded to the Municipal Accounting Division of the New Hampshire Department of Revenue Administraton as per our instructions.

The fundamental purpose of the audit is:

> To determine that all Revenues to which the Town is entitled have been collected and remitted to the Treasurer or properly verified as outstanding accounts; and, to determine whether all expenditures have been properly authorized, conform to law and are supported by appropriate invoices and payrolls.

We confirm, in our opinion, that all accounts are in order.

Respectfully submitted,

JEAN E. ALBRO, Auditor
